

## Current Detail Report For Project Change Request

Monday, January 28, 2008

Title	Sub-Project Type	ID	Created	Target Date	Submitter	Current Owner	Priority
Request APX to give WREGIS administrator the functionality to update and change the External Unit ID selection box.	Other	140	1/24/2008	3/15/2008	ssampson	acon	High

### Requirements

### Description

Several entities have not been included in the External Unit ID selection box.

### Rationale

This request would enable the WREGIS Administrator to update and change the External Unit ID selection box to be able to include these entities without having to go through the Change Control Process everytime an entity needs to be included.

### Consequences

The WREGIS Administrator will have to go through the Change Control Process everytime an entity needed to be included.

### Final Resolution

### External Dependencies
