

WREGIS Project - Change Control

Change Request Form

Project Issue Request ID: 205	Requested by: WREGIS Staff	Type of Change: Account Registration	Date Requested: August 2011 Priority: High
---	--------------------------------------	---	---

Title: AH Registration/GU Registration Field Modifications to Accommodate other Countries

Description:

Current WREGIS System functionality does not allow contact and billing information for an Account Holder registration or the Generating Unit Registration Company Information to be in formats other than US, Canada, or Mexico. WREGIS staff requests to update fields to allow registration for account holders in other countries.

NYSE Blue Response:

NYSE Blue will update account registration and generating unit registration to accommodate companies outside of the US, Canada or Mexico.

Reason for Change:

This update would allow account holders from countries other than the US, Canada, and Mexico to register and use the WREGIS system with ease.

Consequences of not Implementing Change:

Deliverables: NYSE Blue will update account registration and generating unit registration to accommodate companies outside of the US, Canada or Mexico.
