Type of Change/Request:

Title of Change/Request: PCR-188 Meter Data Loading Report/Self Reporting Entities

Priority: Urgent High Medium Low

Target Date: 08/31/2010

Requested By: Claudia Noffsinger

Phone Number: 801-819-7622

E-mail Address: cnoffsinger@wecc.biz

Organization: WECC/WREGIS

Description:

Create a downloadable CSV Report for Feasibility purposes. This report would be identical to the one accessible when using a QRE as the source (Reporting Entity Reports/Meter Uploaded by Facility). This would enable WREGIS to process Self Reporting unit feasibility the same way as we process QRE information.

APX Response:

Rational / Benefit / Need:

Currently all Self Reporting generating unit processing must be done by hand (using the calculator) which is much slower and less accurate than processing from the QRE CSV Report. This may also be useful to Account Holders.
